Garden Checklist

1. Another planting of Ranunculus will keep the succession of bloom going longer next spring. Keep planting them through winter.
2. Deciduous fruit trees can be pruned now. Check with your nurseryman to find out which ones to prune and how much to prune them.
3. The perennial vegetables — Artichoke, Asparagus, and Rhubarb — can be planted this month and next. All three have some ornamental value.
4. Cut Dahlias stalks back when the tops dry. Lift and store the clumps of tubers in a dry place. You can divide them in spring.
5. Spring bulbs can still be planted if you can find them. Some nurseries are sold out.

Many local businessmen are working directly on the Torrance United Way appeal. The Commerce and Industry division, under the leadership of Ralph Morris, has enlisted some 27 local volunteers. Division chairmen working with Morris are Allen Klatzker, Mrs. Michalda Conners, and William Greenawalt.

JOHN SCHWARTZ is directing 15 local men in the Business division of the campaign. Section chairmen, who are assisting him, are Robert

Schwartz, D.D. Cook, and Louis Schlanger.

Some 20 local business leaders are working with Dr. Robert Jackson in the Advance Gifts division of the appeal. Advance Gifts division is soliciting those area merchants who are in a position to make generous gifts to the United Way appeal.

Last year, according to Frenzy, 9121 Torrance residents were helped by the 170 Community Chest agencies. These agencies included Children's Hospital, Orthopaedic Hospital, Rancho San Antonio, Salvation Army Family Service, and Camp Fire Girls.

The United States Marine Band, the oldest military band in the country, played its first official concert on March 4th, 1801, at the inauguration of President Thomas Jefferson.
